Workshop on QCD in the Nonperturbative Regime

Tuesday 19 November 2019

First session - AG66 (09:30-10:50)

- Conveners: Gavai, Chair: Rajiv

time	title	presenter
09:30	Universality and critical behavior -- the chiral phase transition in (2+1)-flavor QCD	KARSCH, Frithjof
10:10	Exploring the phase diagram with experimental susceptibility scaling functions	LACEY, Roy
