

Tata Institute of Fundamental Research

Homi Bhabha Road, Navy Nagar, Mumbai-400005

ASET Colloquium

Speaker: Prof.M N Vahia, DAA, TIFR,Mumbai

Title: A family of 7 planets and prospect of finding life

Date: Friday, February 24, 2017

Time: 4pm

Venue: Main Lecture Theatre (AG-66), TIFR, Homi Bhabha Road, Colaba,
Mumbai

Abstract

Recently, finding a cluster of 7 planets around a protostar has renewed the excitement of the possibility of finding life. We will discuss issues related to the same.
