

# SPACE PROGRAMME OF INDIA: MANY DIMENSIONS

**Shri A.S. Kiran Kumar**

Chairman, PRL Management Council & Former Chairman, ISRO

**Monday, December 4, 2023 at 4 p.m.**

Lecture Theatre AG 66, TIFR

Shri Kiran Kumar, holds M.Sc. Degree in Physics (Electronics) from Bangalore University and M.Tech. Degree in Physical Engineering from Indian Institute of Science, Bangalore. He has steered the implementation of the applications oriented Indian Space Programme, which has facilitated rapid development of the country in many important spheres of earth observation,

communication, navigation, meteorology and space science, as well as the development of indigenous launch vehicles and related technologies for providing assured access to space.

He has been the President, Aeronautical Society of India, and is a Fellow of several science academies. He has been conferred with Honoris Causa and DSc by 18 Indian academic institutions.

In recognition of his contributions, he was conferred Padma Shri by the President of India in 2014.
