Homi Bhabha Road, Mumbai-400 005

December 27, 2017

ASET Colloquium

Speaker : **Mr. Vishal Mehrotra** *(Global Head – Open Source Platform, TCS, Mumbai)*

Title : **Nudges of open source to digital transformation**

Date &Time : **Friday 29 December 2017 at 14:30 hrs.**

Venue : **Lecture Theater (AG-69)**

Abstract :

Digital Transformation is the ask for the day, either in the enterprise, government or consumer world, with almost all industry domain getting embedded with technology. The advancements in the open source software is accelerating the research in the areas related to Automation, Big Data, Cloud, Mobility, etc. We will talk about how open source is enabling such technologies that are pushing the bar of user expectations and how researchers can leverage and boost the adoption of such technology revolution.

About the Speaker:
Vishal Mehrotra is the Global Head – Open Source Platform, at Tata Consultancy Services. He brings with him 25+ years of diverse IT experience in consulting and solutions. In his current role, his primary responsibility is to help customers strategize, adopt and implement open source based IT solutions. He also works closely with the leading open source technology provider to create impactful solutions catering to the customer's challenges and monetize them. He is an engineer by profession from IIT Kanpur.
